
Join the Muskwa-Kechika 2008 Expedition

*We will be traveling by packtrain to the heads of the **Prophet, Muskwa, Tutchodi, and Gataga Rivers**, in the Muskwa-Kechika Management Area, in BC's Northern Rockies.*

This project is aimed at bringing the M-K to a wider audience, something that is of increasing importance as the M-K budgets is slashed, and development pressures increase.

The expedition will spend 10 weeks or so in the mountains, and participants will join for roughly 2 week segments. I will include some information below. I look forward to connecting with some of you on the trail in the Northern Rockies!

Expedition to BC's Northern Rockies now Booking

Have you ever wanted to go back in time, to ride a saddle horse through the Rocky Mountains as they were before roads, towns, or the changes brought by modern man?

Well, you can't go back in time, but you can still experience the Rockies in their magnificent, pristine state.

The Muskwa-Kechika is a vast chunk of spectacular Rocky Mountain wilderness that still exists in the remote reaches of northern British Columbia. Wayne Sawchuk is organizing a horseback expedition into the Northern Rockies, and is accepting applicants who would like to ride with him for two weeks in the summer of 2008. This expedition is aimed at introducing the MK to the wider public. [You must be fit, able, and willing to tackle true wilderness, beyond all roads].

In the summer of 2008, a **National Geographic crew including John Vaillant**, author of the Golden Spruce, accompanied Wayne on expedition, and a major article on the ride and the Muskwa-Kechika is scheduled in

the yellow magazine in September. You have a chance to see some of this country in person if you join the ride with Wayne this summer.

The expedition is planned to start on June 30, and complete Sept 9. Guests will ride with Wayne for two week segments. There will also be a **Naturalist's Camp** at Mayfield Lake between August 14-21. The camp will be co-hosted by renowned **naturalist, birder and author Dick Cannings**.

I look forward to seeing you in the mountains!
